# Tulane University Medical Group CONSENT AND RELEASE

ASSIGNMENT OF BENEFITS: I authorize direct payment to Tulane University Medical Group (TUMG), of all medical benefits, settlements, or judgments applicable to my treatment by TUMG physicians and other clinicians at the hospital or clinic. This authorization is applicable to all future charges and fees from, and including, this day forward, unless revoked in writing by me. I understand that I am personally responsible for payment of all fees applicable to my treatment by TUMG physicians at the hospital or clinic, including copayments, deductibles, and fees for non-covered services, irrespective of other insurance coverage or other parties' responsibility to me for such fees. If unpaid balances are overdue and are referred for collection, I agree to pay the attorney's fees, court costs, and/or collection agency fees associated with collection.

THE UNDERSIGNED CERTIFIES THAT HE/SHE HAS READ THE FOREGOING, IS THE PATIENT OR IS DULY AUTHORIZED BY THE PATIENT TO EXECUTE THE ABOVE, ACCEPTS THE TERMS THEREOF, AND HAS RECEIVED A COPY THEREOF.

# **No-Show Policy**

(Approved 7/26/2016)

#### Purpose:

To ensure a standardized process is being used for patient no-shows across all clinics. Patients not showing for their scheduled appointments has a significant impact on the quality of patient care. This policy offers guidelines for patient communication and potential termination in a way that is in the best interest of patients, providers, and staff.

## **Policy:**

- 1. If a patient does not show for their first appointment, a letter is mailed explaining our no-show policy.
- 2. Subsequent no-show may be billed (where contractually feasible) at \$ 50.00 per missed appointment.
- 3. After the second no-show a letter is mailed that explains a third no-show may result in discharge from the practice.

#### **Process:**

- 1. The first instance of patient no-show: letter No. 1 is mailed. The patient is also sent notification via the patient portal.
- 2. The third instance of patient no-show: clinic manager and physician are notified. Clinic manager reaches out to the patient via phone to discuss barriers and explain the protocol further. The letter is sent via certified mail regarding the potential for termination.
- 3. The fourth instance of patient no-show: clinic manager and physician are notified. Termination letter sent upon provider recommendation.

Please sign below to acknowledge your understanding of the above policy.

# PRESCRIPTION MEDICATION POLICY

It is important to report all medications you are taking to every provider you see to avoid potential drug interactions or organ damage. Carrying a medication list with you at all times is a good idea.

In order for us to provide the best care to our patients, we must be able to monitor your progress and response to medication on a regular basis. This allows providers to determine if the dose is appropriate for maximum effectiveness and safety.

- We **ONLY** refill medications prescribed by our physicians or Advanced Practice Providers in this clinic.
- We will **NOT** authorize prescriptions by another physician.
- We will **NOT** refill a prescription if you have not had an appointment within the last three months.

We are aware that each patient and treatment plan are different. The providers and office staff will review each request on a case-by-case basis.

As of 2016, the CDC released new guidelines for improving the way opioids are prescribed. The new guidelines ensure patients have access to safer, more effective chronic pain treatment while reducing the risk of opioid use disorder, overdose and death.

**NO NARCOTIC** refills will be authorized by our physicians or physician's assistants after <u>the 2 week</u> postoperative period.

If you continue to need pain medications after this period, we will send a referral to the pain management physician of your choice. If you do not request a specific provider, we will refer you to a recommended pain management physician.

As of October 1, 2014, the DEA requires that a hard copy prescription for a narcotic be written. Narcotic prescriptions cannot be faxed or called into the pharmacy.

It is your responsibility as the patient to notify your pharmacy for refills prior to running out. We refill prescriptions during regular office hours. The pharmacy will need to send notification of your request for a refill via fax to office at 504-503-7002.
